at University of Cumbria's
Industry Day!

DISCOVER CREATIVE CAREERS AT THE UNIVERSITY OF CUMBRIA'S INDUSTRY DAY!

Are you ready to dive into the world of creative careers? The University of Cumbria invites you to our exciting Industry Day, part of the national Discover Creative Careers initiative. This event is your chance to connect with industry pros, get insider tips, and explore amazing career paths in the creative sector. Mark your calendars for 21st November from 2-6 PM at the Brampton Road campus in Carlisle!

Discover Creative Careers is all about showing people the amazing opportunities in the creative industries. With over £1 million from the Department for Culture, Media & Sport (DCMS) and support from Arts Council England, the 2023-2025 programme aims to reach people from 77 target areas across England, especially those who need it most.

What's Happening at Industry Day?

- Panel Discussions: Hear from industry experts about the latest trends and opportunities in the creative world.
- Speed Networking: Meet and chat with professionals from various creative fields. Build connections that could kickstart your career!

We Need You! We're looking for attendees from all walks of life—students, pupils, professionals, artists, and anyone passionate about the creative industries. This is also a fantastic opportunity for professionals who want to share their experiences and speak to interested individuals. If you're an industry professional eager to inspire the next generation, we want to hear from you!

This event is part of a bigger effort to provide activities and resources, including online tools, training, and support. The Discover Creative Careers programme, also known as the Creative Careers Programme, started with funding from the DCMS in 2018 and has been shaped by creative businesses, institutions, trade bodies, and individuals across England.

Don't miss out on this chance to shape your future and discover the endless possibilities within the creative industries. For more information and to register, please contact **Claire Inglis** at claire.inglis@cumbria.ac.uk.
