

Task sheet with questions (slide 6)

What type of roles are there in the performing arts sector?

Note down a few ideas why these roles may be interesting for some people to work in.

What kind of roles are there in the music sector?

Note down a few ideas why these roles may be interesting for some people to work in.

10 minute task

You are designing a set for a play based within the school about students. The play is about a student who has dreams of following his/her favourite musical artist on tour.

Note down: poses of actors, shape of the set, position of actors, textures and materials needed on the set for a dream sequence where the student is in a typical classroom
